WM. G. SCARLETT & CO. MIXED LAWN SEED

GREENWAY

Scarlett's GREENWAY Lawn Seed is one of the finest quality Lawn Seeds on the market and can be recommended to your most critical trade. It is composed of Kentucky Blue Grass, Fescue, Red Top and White Clover, with a small percentage of Rye Grass and Timothy.

SHADY SPOT

Scarlett's SHADY SPOT Lawn Seed contains as a principal ingredient *Poa trivialis* which the U. S. Department of Agriculture has found to be unexcelled for growing in shady places. Other grasses do not thrive in shade but *Poa trivialis* is naturally adapted to it and will make a beautiful lawn.

VELVET

Scarlett's VELVET Lawn Seed should not be compared with competitive grades sold under this name. It is a value hard to equal, the principal ingredients being Kentucky Blue Grass, Red Top, Timothy, Rye Grass and White Clover.

EVERGREEN

There is a wide variation in the quality of Lawn Seed sold under the name Evergreen. Scarlett's EVERGREEN Lawn Seed contains only the highest quality grasses which produce a good green turf throughout the year.

SOUTHLAND

An Evergreen Mixture

Scarlett's SOUTHLAND Lawn Seed is prepared especially for the Coastal Plains section of the South. Carpet Grass, Bermuda Grass, Fescue, Blue Grass, Rye Grass and White Clover make this lawn seed one that will give most satisfactory results on sandy soil under the hot dry summer weather experienced throughout the South.

LAWN PARK

Where quick growth is desired Scarlett's LAWN PARK Lawn Seed will give results. A lawn mixture you can use for meeting competition. The ingredients are Rye Grass, Timothy, Red Top and White Clover.

SCARLETT'S

PIGEON FEEDS

Scarlett's Pigeon Feeds are not made to meet price competition. We have placed these high grade Mixtures on the market to meet the requirements of the most critical buyer—but our prices are kept down to a minimum because we purchase the ingredients in very large quantities.

BIRD SEEDS

Scarlett's Bird Seeds are purchased direct from the producing sections and are thoroughly recleaned by us before shipping. Large and complete stocks enable us to fill your orders promptly and at comparatively low prices. We invite your inquiries. Let us send you a full line of samples.
